

# Transparency Code for Smaller Authorities

**This Code is issued to meet the Government's desire to place more power into citizen's hands to increase democratic accountability. Transparency gives local people the tools and information they need to hold local public bodies to account.**

The information you can see on this page covers the majority of the requirements of the code. The list below will show where the information can be found if it is not on this website.

Information which is required to be published:

- All items of expenditure over £100
  - (Tallington Parish Council publishes all items of expenditure). This information can be found in the Minutes from the bi-monthly meetings.
- End of Year accounts. This information can be found under "Audit of Accounts".
- Annual Governance Statement - as above.
- Internal Audit Report - as above.
- List of Councillor responsibilities. This information can be found on the Parish Councillors tab.
- Details of public land and building assets. This information can be found under "Audit of Accounts".
