

# East Coast Main Line

## Level Crossing Closure Study Tallington Area (Lincolnshire)

Network Rail is carrying out a feasibility study to explore options for the closure of various level crossings on the East Coast Main Line (ECML) as part of our ongoing commitment to deliver a more reliable, efficient and safer railway.

We are consulting on options for closing crossings in your area and we would like to understand how the proposals affect you and your community. We have arranged public exhibitions to explain the options we are considering.

### ***Visit our Public Exhibitions***

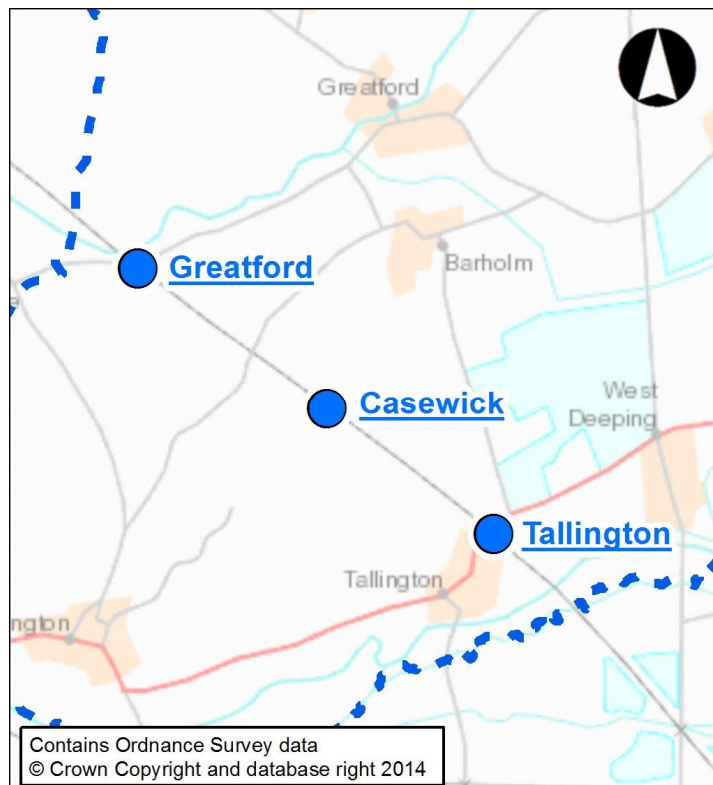

Public exhibitions regarding Tallington to Greatford level crossings are to be held on:

Tuesday 17 June (2pm-8pm) at:  
Tallington Village Hall, Main Road,  
Tallington PE9 4RP.

Saturday 28 June (10am-4pm) at:  
Tallington Village Hall, Main Road,  
Tallington PE9 4RP.

There will also be other consultation events along the route between now and 24 July 2014. Additional consultation events will also take place in the wider local area:

Public exhibitions for the Lolham to Woodcroft level crossings will take place on Saturday 5 July 2014 and Thursday 10 July 2014. Further details will be available via our website.

Network Rail representatives and their consultants will be available during the exhibitions to explain the options and answer your questions.

Further details will be available online: [www.networkrail.co.uk/ecmllevelcrossings](http://www.networkrail.co.uk/ecmllevelcrossings)
